- Operation Description
- Parts List
- Tune-Up Procedure
- Schematic Diagram

The above mentioned documents contain detailed system and equipment descriptions are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitors an unfair advantage in the market.

In additional to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we request the commission to grant short-term confidentiality request on the following attachments for a period of 45 days.

- Internal Photos
- Test Setup Photos
- User / Product Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be treated as confidential documents and such information will be available for public review once the grant of equipment authorization is issued.

Best Regards
